MEMORANDUM

Date:	April 24, 2024
To:	Mark Hughes, Transportation Department Kathleen Mitchell, Planning Department
Project Number:	**CUP230002**
Project Name:	**Garden Cemetery**
Landscape Submittal:	**Landscape Concept Plan – 3rd**
Bluebeam Session:	**065-888-348**
Landscape Plans Examiner:	Annell Marquez Evora, Young Chang, (951) 955 - 0924, (951) 955-0605 amevora@rivco.org, ychang@rivco.org, marhughe@rivco.org
Recommendation:	**Resubmittal Required**

The Riverside County Transportation Department has completed the Landscape review of the above-mentioned project. This is a conceptual level review and does not compromise full approval of final design details.

1. Major comments are summarized herein. Additional detail is provided in Bluebeam on redlines and check list. Re-submittal must include a written response to comments as well as redlines and check list. **Re-submittals without these items may be delayed.**
2. According to sheet L-1 & L-3, DG pathways have been provided on both sides of internal streets. Please explain in written response how the ADA access will be provided along the internal streets.
3. What are the buffered areas with tress between concrete walkway and grave areas? Is this DG paving or landscaped area with DG top dressing? Please refer to the redlined comment and label on sheets L-1 & L-3.

   Please use distinct symbol for the buffered area from the symbol for the DG pathways along the internal streets.
4. **ITEMS REQUIRED FOR NEXT SUBMITTAL:**
   a. **Revised Landscape Concept Plan, with corrections, (1 single PDF file of all landscape sheets)**
   b. **Response to comments memo (1 separate PDF file)**
