Good Morning,

The attached correspondence is in response to the proposal to develop the Crescent Garden Cemetery in the Meadowbrook community. The City of Canyon Lake is concerned with this project due to the potential risks it poses to water quality and, therefore, is opposing the project to maintain regional environmental safeguards.

Canyon Lake's City Council strongly urges the Riverside County Board of Supervisors, the Planning Commission, and all other relevant agencies to deny approval of this project.

Thank you for your time,
